KAPADOKYA / OLYMPOS

ABOUT AS

MAURIZIO MARCONATO & TERRY ZAPPA

The **KAPADOKYA** series was inspired by the expressiveness of ash and metal, where the materials truly reflect their intrinsic qualities. The glow of bronze contrasts with the texture of wood and the softness of upholstered furniture.

Introverted and natural, like **OLYMPOS**, the inspiration for the collection's name, it presents a unique and distinctive aesthetic. The collection features a harmonious balance between rigor and authenticity.
